From The East

Brethren,

Here we are at the half way point of the year, the month before we go dark. It has been a busy first half but it will even get busier beginning in September.

For the month of June we have our stated meeting on June 11, at which we will examine our EA to see if he is ready for the next degree. If he is we will do a fellow Craft Degree on June 18th which should be our last event before we go dark. On June 7th is the masters and Wardens Association meeting where we will pick dates for Visitations. I will attempt to get the earliest date in September. Our stated is on Sept 10th so I will try my best to get a date in Sept so we can get it over with. If you have not been to visit other lodges the visitation season is a great time to do it. You get to see other Lodges and see the Masonic Ritual done by them.

The Months of July and Aug are our dark months, or our respite from Masonic Labor. It is a time to rest, travel and spend time with our Family's, a time to enjoy and relax. I wish you all a restful summer and if you are traveling and or vacationing, please be careful and enjoy the time off. Hoping to see you all in the fall, healthy and rested. . . .

Fraternally,
Edgar R. St. Onge
Worshipful Master
Pulpit Rock Lodge #103

Please join us in June at our meeting for a special guest speaker. Author David S. Brody will be with us to discuss his latest novel "The Cult of Venus". This will be free and open to the public.
